

INDIGESTION

"I was troubled with stomach trouble. Thedford's Black-Draught did me more good in one week than all the doctor's medicine I took in a year."—MRS. SARAH E. SHIRFIELD, Ellettsville, Ind.

Thedford's Black Draught quickly invigorates the action of the stomach and cures even chronic cases of indigestion. If you will take a small dose of Thedford's Black Draught occasionally you will keep your stomach and liver in perfect condition.

THEDFORD'S BLACK-DRAUGHT

More sickness is caused by constipation than by any other disease. Thedford's Black-Draught not only relieves constipation but cures diarrhea and dysentery and keeps the bowels regular.

All druggists sell 25-cent packages.

"Thedford's Black-Draught is the best medicine to regulate the bowels I have ever used."—MRS. A. M. GRANT, Sneads Ferry, N. C.

CONSTIPATION

DAN DOTS.

Charley Mann will enter Bowling Green business college soon.

Mrs. M. Mann has returned home from a two weeks' visit among her girls.

G. C. Mann bought of C. F. Craft 50 shocks of corn and fodder for \$25.00.

J. K. McGuire has completed his new blacksmith shop and is now prepared to do all kinds of work.

T. H. Morefield has accepted a position as clerk in the big store of the Yale Lumber Co. at Yale, much to his success.

G. C. Mann is doing a good business in his log job. He has his contracted for \$18.50 per 1,000 and \$13.00 to be delivered at Myer's eddy.

S. P. Frizzell, of Salt Lick, is in the country preparing to start his stove mill, which has a job of cutting over five hundred thousand staves.

Col. Lawson, of Farmers, Ky., with a crew of men, was seen going up Blackwater a few days ago cutting loose all jams and places that are blockaded with logs.

Willie Meeks, formerly of Maytown, and Merida Mann, son of Alvin Mann, left here Sunday for the lower part of State, but I did not learn their stopping point.

Jan 16. SUNSHINE.

Dr. J. A. Taulbee, of this city, to relieve and probably to save the life of Miss Evalene Back, daughter of Circuit Clerk W. D. Back, performed a very delicate and difficult operation last Monday. The young lady had involuntarily swallowed a breastpin on the day before, and the trinket had lodged in her throat, lying across from left to right, the point sticking in the tissue and resting on the epiglottis. The only way to reach the pin was by depressing the tongue and then bringing out the pin with long forceps.—Jackson Hustler.

Spoiled Her Beauty.

Harriet Howard, of 209 W. 34th St., New York, at one time had her beauty spoiled with skin trouble. She writes: "I had Salt Rheum or Eczema for years, but nothing would cure it, until I used Bucklen's Arnica Salve." A quick and sure healer for cuts, burns and sores. 25c., at all druggists.

John Ward is this week ceiling a bed-room and hall in his dwelling.

MORGAN COUNTY MOVEMENTS.

[West Liberty News.]

Bro. Derthick, of Hazel Green, preached an interesting sermon at the Christian Church Sunday evening, Jan. 8th. If you missed, you missed something good.

It is reported that J. C. Stamper, formerly merchant at Grassy Creek, will locate in the western country. If this be true, Morgan will lose one of her best citizens and business men, but we hope Joe will conclude to remain among us.

Fortune seems to be smiling on Al Williams, colored, of this place. Al made two guesses on the total paid attendance at the World's Fair through the World's Fair Contest Co. According to the statement given out, Al has guessed the exact number. If no one else guesses the exact attendance, Al will receive \$30,000.

Sheriff S. M. Lykins, in company with J. H. Sebastian and Harry Perry, left Wednesday with Monroe Havens, George Lyons and John Ferguson for the penitentiary. Ferguson and Lyons were sentenced at last term of court. Ferguson was sentenced for three years for killing Bal Byrd, at Caney, on last November election day. Lyons was sentenced to twenty-one years for killing Doc Ferguson, on Paint Creek, three years ago. Havens was convicted and sentenced to fifteen years at the July term for killing Davidson Castle. Havens took an appeal, but the judgment of the lower court was confirmed.

There seems to be some confusion in Magisterial district No. 3 over the convention that was held on Saturday to nominate a candidate for magistrate. Ben Blankenship and Kelse Couch were the candidates. Blankenship received a majority, but it is alleged that in the upper part of the precinct Blankenship received more votes than there were Democrats, and that Republicans went in the convention and voted for Mr. Blankenship. This was strictly a Democratic fight, and no one but Democrats should be allowed to take part in these conventions, and if Mr. Blankenship allowed Republicans to take part in this convention it was a mistake. Let's all be fair and honest with each other.

A Grim Tragedy

Is daily enacted, in thousands of homes, as death claims, in each one, another victim of Consumption or Pneumonia. But when Coughs and Colds are properly treated, the tragedy is averted. F. G. Huntley, of Oaklandon, Ind., writes: "My wife had the consumption, and three doctors gave her up. Finally she took Dr. King's New Discovery for Consumption, Coughs and Colds, which cured her, and today she is well and strong." It kills the germs of all diseases. One dose relieves. Guaranteed at 50c. and \$1.00 by all druggists. Trial bottle free.

A Solid Institution.

The Hustler of last week has the following flattering notice of the Winchester Bank, an institution which has been advertised in our paper for years, and it so fully expresses our own views that we publish it entire: "The report of the condition of the Winchester Bank at the close of business December 31st, 1904, is another splendid showing of the amount of business transacted by that institution during the year 1904, as well as the most careful and able financiering on the part of the President, Mr. N. Holly Witherspoon. A larger increase in business and greater net profits over any previous year is shown in the exhibit, which is highly gratifying to the officials and all concerned."

A Record of Marvelous Accomplishment.

Established February 19, 1904, *The Kentucky Farmer and Breeder*, of Lexington, has, within a few months' time, become concededly the best weekly paper of its kind in America, and has secured a paid-in-advance circulation of over 13,000 copies.

Among the contributors to its columns on agricultural topics are many of the best-posted men in America. Mr. H. F. Hillenmyer, whose reputation as a nurseryman is national, conducts each week a department of answers to inquiries, in which he gives from his vast store of knowledge, experience and study, his views and advice on any subject pertaining to the orchard, lawn or garden, about which information may be desired. Every issue of *The Kentucky Farmer and Breeder* contains the most pertinent news and the most timely advice for farmers and stock raisers of every sort.

As a medium for all forms of farm and live stock advertising (for both of which it offers special discounts), it has no rival in the state. More than half its circulation is in Kentucky, and for the most part among people who are interested in and able to buy either farms or good stock.

By special arrangement we are able to offer for a limited time

THE KENTUCKY FARMER AND BREEDER

AND

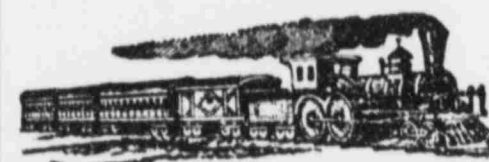

THE HAZEL GREEN HERALD

BOTH FOR 1 YEAR AT \$2.00

THE PRICE OF THE KENTUCKY FARMER AND BREEDER ALONE.

It is the most valuable weekly paper in America for the farmers of Kentucky to take. Published at Lexington, "the hub of the horse world," and the center of the state's agricultural interests, it has the opportunity to obtain, and it never fails to publish live, up-to-date, fresh news and valuable feature matter which no other paper contains.

Sample copies may be had on application at this office.
